Sports' Report
Year3/4 Football League Mon 26th January, 2026
Park House

The Year 3-4 football team assembled at Park House School to play other local Primary Schools in a mini league with the winners invited to the finals.
The weather was dry and the boys ready to play on a pretty big astro pitch. We played all 5 other school teams in short 7 min games.
We started well against John Rankin B, determined in defence and sharp on attack. It was pretty even but they scored in the last second, so 1-0 loss. Next was Springfield A and a much more powerful team – we didn't see much possession and lost 4-0. Onto Fir Tree and again a close game and we successfully stopped their attacks and had a few of our own – however we lost to a single goal. Then another A team, John Rankin and we were outplayed by stronger and well- seasoned footballers – a much larger school too. Finally, we played our last game and sadly not a win.

So, despite no medals, we played very well. I was pleased to see all boys trying their best and putting all on the line – focussed and good sportsmen too.

Thanks to all the parents who came to support.
