Year 3/4 Touch Rugby Festival
Thurs 5th March - Newbury Rugby Club

Our Year 3/4 touch rugby team assembled at Newbury Rugby club for a touch rugby festival. Our 8 a side, mixed team played with great enthusiasm with the emphasis on learning the game and having fun. We played 3 teams in our mini league. Whilst we didn't win our games, it was an opportunity for the children to experience a competitive match and learn the rules. As the games progressed our team improved in determination and were better in attack and defence. As a result several tries followed.
A lovely sunny day and fun for all.
Thanks to the parents who came to support.

Mrs Banks
Brightwalton Sport.
