Brightwalton Sports' Report

Year 3/4 Dynamos Cricket Festival

On Tuesday 5th May, the Brightwalton Cricket squad of 11 mixed team players arrived at Falkland Cricket Club, the home of Berkshire Cricket for an afternoon of cricket skills.
It was superbly run by Berkshire Cricket. Their coaches entertained all the children from about 10 local primary schools with interesting, fun and challenging cricket skills' stations.
There were bowling stations, fielding practice and batting stations, running non-stop. A great afternoon of fun, along with skills practice in accuracy and teamwork plus throwing, catching, fielding and batting.
Well done to all the children.

Yr 3/4 Tri Golf Festival

Our team of 10, 5 girls/5 boys assembled at St Barts School for an afternoon of golf. A new school sport for us and great fun. The coaches had set up activity stations showcasing
key golf skills.
There were 8 stations, so it was non-stop golf. Putting to hit cones or driving for distance off a tee. Chipping for an approach shot whilst avoiding the bunkers. All very well laid out, not too easy and not too hard with bonus points for accuracy. The children soon learnt that golf is not as easy as it looks and that a focus and concentration work best! Lots of fun and the team scored well. No 'hole in one', some duff shots but many good ones too!
Well done to the children.
