**Brightwalton Sports' Report - Yr 5/6 Football League**
**Monday 15th December, 2025 – Park House**

The Year 5/6 football squad assembled, with their supporters, at Park House in light rain. The weather deteriorated and the rain poured down. Everyone was soaked, but spirits were high.
There were 6 other teams from local Primary schools – Whitelands Park, Woolton Hill, Gt Shefford/Chaddleworth, Willows, St Nics and Speen. Most were much larger schools.
Games were 7 a side and 7 minutes each way and no rest in between!.

It was fun and the boys clearly loved being on the pitch. Skill levels were good, but more importantly determination and focus were on display from all our team. We struggled against some of the teams from bigger schools or those with Football Academy players. However, we were never outclassed or out played, keeping the score line down to 1,2 or 3 goals against us. We had plenty of possession and near misses and then defended brilliantly. The highlight was our 3-0 win against local rival's Gt Shefford/Chaddleworth and a very narrow loss to another school in the dying seconds.

A great afternoon of football. Many thanks to all the parents who stood in the rain supporting.
