Yr 5/6 Netball league match v St Finians A team
Wednesday 4th March 2026

The Brightwalton netball team of 8 assembled at the West Ilsley tennis/netball court for our first league match v St Finians. Brightwalton offered the West Ilsley court as our home venue. Bathed in sunshine, set in an elevated position at the back of the recreation ground it was a great location.
Our team played well. A little rusty after weeks practising inside but we grew into the game. Unfortunately, we lost 12-4, to a much larger school and to their A team, but after a slow start we remembered our set plays and became more hungry in defence and more determined to win the 50/50 balls. St Finian's punished our mistakes and their tall, accurate shooter scored the goals. For us, when it clicked, Brightwalton showed great skill and transitioned the ball accurately down the court to goal.
2 more league games to go and plenty more opportunities to showcase our skills.
Thanks to Mrs Reeves and Mrs O'Meara.
